### Vegas Showcase - Italian Club of Copper Cliff

The Main Ballroom of the newly renovated and very classy Italian Club of Copper Cliff was the place to be on the night of their big Vegas Showcase. The Club put out a fabulous meal and then... the entertainment.

Lina Sanchioni warmed up the guests before the main event. Then, Timothy Murphy hit them with two comedy routines; Joan Rivers and Gina Lola-International-Bridge-ida. This was followed by a musical set. Don't you wish you'd been there?
