Our Men's team had a very strong showing and finished FIRST in the competition.

The Italian Club would like to send special THANKS to Dave & Bob Polano for all their hard work in organizing this weekend as well as a thank-you all the teams that participated in this years event.

MAINTENCE REPORT

The main stairs at the front entrance and the outside front building wall still need to be sanded down and painted. The painting was planed to be done this summer, however due to unexpected weather conditions and availability; they will be done next summer at the latest. The bushes at the front of the building and stumps have been removed. We are now taking ideas as to what can be done with this area to enhance the look of the Club, if you have any suggestions or feedback then please let us know. Much work has been done in the bowling alley to repair the pin setting equipment before the bowling leagues started back up this October

The finishing on the centre of the dance floor in the Ballroom seems to have worn away, we are looking into how and why this has happened so soon after the floor was just re-finished. We will be taking actions shortly to correct this matter.

A much needed clean-up for the basement area of the Club is underway and we are looking for volunteers who would be able to assist us with the lifting, removal and cleaning of this area.

Please contact the Club (682-4513) if you are interested in helping out with this and we will give you a call.
